Members of the Middletown Town Council:

This letter is to inform you that an application to construct and alter major energy facilities in the Town of Portsmouth has been filed with the Rhode Island Energy Facility Siting Board (Board) pursuant to R.I. Gen. Laws § 42-98 *et seq.* Rule 1.8(F) of the Board's Rules of Practice and Procedure requires the Board "immediately notify in writing the councils of the towns and cities affected by said construction" described in the application.

The application was filed by Narragansett Electric Company (doing business as National Grid) on May 19, 2021 for a license to mobilize and operate a liquified natural gas (LNG) vaporization facility at property located on Old Mill Lane in Portsmouth, Rhode Island.

The filing is available for review at the Public Utilities Commission Offices, 89 Jefferson Boulevard, Warwick, Rhode Island. Please contact me directly if you have any questions.

Best regards,

A handwritten signature in black ink, appearing to read "ERodvien".
