Re: Administrative Subdivision – St. George's School, property located at 372 Purgatory Rd., Plat 121SW, Lots 28, 29, 30, 31, 35A and 39

In accordance with section 405.C.1 of the Middletown *Rules and Regulations Regarding the Subdivision and Development of Land* I am hereby notifying the Board of the action I have taken as the Administrative Officer to approve the above referenced administrative subdivision plan (plan by Vanasse Hangen Brustlin, Inc., dated February 14, 2022).

The plan results in the merger of the subject parcels into a single lot. No new zoning nonconformities would result from the plan. The plan creates no new development lots. The plan is available in the Planning Department for review.

Unless the plan is recorded in the town Land Evidence Records within 90 days of the date of approval, the approval is void.

In considering my decision I have made the following findings as required in section 403:

1. The subdivision is consistent with the Comprehensive Plan.
2. The proposed subdivision is in compliance with the Middletown Zoning Ordinance.
3. There will be no significant negative environmental impacts.
4. The subdivision will not result in the creation of lots with constraints to development.
5. All lots shall have adequate and permanent access to a public street.
