- "Allison is a lovely girl who cares about being a good person as much as she does being a good student. It is

easy to find something to talk to Allison about because she shows a genuine interest in all topics at school and cares about what you're saying," sixth grade teacher Caitlin Santos said.

- "Allison's positive, upbeat attitude in the face of all the challenges she has faced this school year is nothing short of amazing. She is an absolute ray of sunshine that always has something kind to say to her classmates and her teachers. She loves to learn and puts forward 110 percent effort at all times," sixth grade teacher Heidi Gauch said.
- "Allison is not only a role model student who cares about doing well in all academic areas, but a good person as well. She is kind and considerate. She is always ready to lend a helping hand to help her classmates succeed. She is a true joy to have in class," sixth grade teacher Caroline Corr said.
- "Allison is a wonderful young lady to have in class. She strives for excellence in all areas. Allison is a kind and caring person. Every interaction with her is a joy," sixth grade teacher Kyla Viera said.
